Welcome to ViVi's! Specializing in Italian cuisine, with a blend of traditional and modern favorites. We believe a memorable dining experience begins with gracious hospitality extended to each guest and ends with great food. Our General Manager, Ray Mays, and talented staff work together to bring you a family dining experience like no other.

It all begins with family and faith. We started with one small business as a summer job for our son. As the years passed, our business grew, as did our family. ViVi's is fondly named after our granddaughter Vera. Now it's about more than our family and the families of our staff, but, about all the families that visit us here at ViVi's. We appreciate each of you.
